### STANDARD FEATURES

- Dual side controls - except with remote
- Hexagonal extension cylinders
- Sliding pads on telescopic extensions
- Flanged Valves
- Self lubricating bushings
- Oil tank
- Din and JIC fittings
- Designed in accordance with EN 12999
- Fatigue test classifications: B3
- Rack and pinion rotation
- Manually extendable stabilizers
- One year warranty

### ACCESSORIES

- RRS radio remote
- Manual extensions
- Optional load limiting device
- Extra function to boom tip
- Extra valve function for winch
- Winch
- Pressure gauge
- Gear pump
- Winch plate
- Turning stabilizers
- Extra side extension of stabilizers
- Stabilizers with hydraulic extensions

# DIMENSIONS

# SPECIAL FEATURES

## SDD Soft Descend Drive

The SDD system is designed to reduce the oscillations and ensure a perfect control of the motions.

*\*Optional Radio Remote Control    \*Only with CE or Radio Remote Control*

## SGS Sprint Generation System

The purpose of SGS system is to increase the extensions speed without affecting the crane safety.

## RRS Radio Remote Control

The operator can control the crane with high precision proportional levers in every position, and in doing so, can supervise the loading and unloading operations. That means a time savings and greater safety. The operator can also control the truck engine start, stop and accelerator with the remote control. All of the remote controls used by AMCO VEBA have an identification code and are shielded from electro-magnetic fields and from external radio signals.

## EBB Electronic Black Box

Amco Veba has designed this control motherboard to ensure an effective and reliable control of the crane in every working condition. The operator can read on the display all the information about the state of the crane, of the accessories, and of the routine maintenance. All components are designed according to automotive industry standards and ensure the highest reliability.

## AVPS Amco Veba Power System

AVPS system can reach longer outreach, with a heavy load, at the highest precision.
